

Welcome to the 2018 Fort Worth ISD High School Sports Survey!

Thank you in advance for completing this survey! We value your opinions and honest feedback to make your experience as a FWISD student better. This survey should be completed by students in 8th through 11th grade. The information will be used to assess the types of high school sports currently being offered in the District as well as to determine students' interest and participation needs. This includes the consideration for adding additional teams in a current sport or possibly offering other types of sports in the future. If you have any questions or concerns, please feel free to contact the Title IX & UIL Compliance office at 817.814.1980 or by email at Kevin.Greene@fwisd.org.
